# INVESTING IN SUCCESS

THERE'S MORE THAN ONE WAY TO INVEST IN MACHEN FLORIDA OPPORTUNITY SCHOLARS. Outright, planned and blended gifts, along with endowments, ensure smart and talented students aren't left on the outside looking in. For Florida to be vibrant and healthy, we can't let the cost of college be the reason some of the state's brightest students fail to meet their promise.

## OUTRIGHT GIFT

OUTRIGHT GIFTS CAN BE AS SIMPLE AS VISITING THE PROGRAM'S WEBSITE ([opportunity.ufl.edu](http://opportunity.ufl.edu)) to give online, as unique as donating property or art and as flexible as a five-year pledge.

## PLANNED GIFT

THESE ARE DEFERRED GIFTS WITH GOOD TAX ADVANTAGES, and include bequests and other estate commitments, charitable remainder trusts, charitable gift annuities and gifts of insurance. Your investment in high-achieving students is a tremendous legacy.

## ENDOWMENTS

ENDOWMENTS GENERATE AN ANNUAL RETURN to support Opportunity Scholars. Established with an invested gift, endowments are managed in such a way to buffer them from drastic changes in the market to ensure everlasting support for scholars.

## BLENDED GIFTS

THESE GIFTS ENABLE IMMEDIATE IMPACT WHILE BUILDING AN ENDOWMENT. For example, a \$1 million endowment generates about \$36,000 each year for scholarships. To achieve a blended gift, a donor could commit that same amount each year to support scholars and an additional \$200,000 to invest in an endowment. In five years, the endowment is fully funded and forevermore provides an annual 3.6 percent payout.
